

REMARKS

Reconsideration of the application is requested.

Claims 1-11 remain in the application. Claim 1 has been amended.

In item 1 on page 2 of the above-identified Office Action, the Examiner objected to claim 1 because the phrase "said actuators" lacks antecedent basis. Support for the antecedent basis of "said actuators" is found on line 10 of claim 1. However, to remove any possible confusion, claim 1 has been amended to recite "said actuators on said actuator disc".

In view of the foregoing, reconsideration and allowance of claims 1-11 are solicited.

If an extension of time is required, petition for extension is herewith made. Any extension fee associated therewith should be charged to the Deposit Account of Lerner and Greenberg, P.A., No. 12-1099.

Please charge any other fees that might be due with respect to Sections 1.16 and 1.17 to the Deposit Account of Lerner
